

VEHICULAR SIZE LIMITATIONS

Height Limits

George Washington Bridge	
Lower Level*	13 feet 6 inches
George Washington Bridge	
Upper Level*	13 feet 6 inches
Lincoln Tunnel*	13 feet
Holland Tunnel*	12 feet 6 inches
Goethals Bridge	14 feet
Outerbridge Crossing	14 feet
Bayonne Bridge*	14 feet

If you are uncertain of the height of your vehicle, avoid problems - USE A BRIDGE.

Width Limits

Overall body widths for vehicles without safety devices:

George Washington Bridge	10 feet
Lincoln Tunnel*	8 feet 6 inches
Holland Tunnel*	8 feet
Goethals Bridge	8 feet 6 inches
Outerbridge Crossing	8 feet 6 inches
Bayonne Bridge*	8 feet 6 inches

Operators of vehicles with safety devices should refer to our website at:
www.panynj.gov/truckers-resources
for further information.

Oversized Vehicles

All oversize vehicles must have a Port Authority Police escort. Operators of oversized vehicles must call the applicable Facility Communications Desk (see *Important Telephone Numbers* section on back cover) prior to trip for approval.

The toll for oversized vehicles is double the established toll rate. Oversized vehicles are subject to an escort fee of \$40.00 (escort fee subject to change).

** Refer to Restrictions section on inside flap for information affecting George Washington Bridge, Lincoln Tunnel, Holland Tunnel, and Bayonne Bridge users.*

800 333-TOLL (8655) In New York
888 AUTO TOLL (288-6865) In New Jersey

The Port Authority of New York and New Jersey offers the E-ZPass electronic toll collection system in all toll lanes at its tunnels and bridges. Businesses can save money whenever they use E-ZPass, but especially during off-peak and weekday overnight hours. The E-ZPass overnight toll rate for trucks offers a discount of more than 20% off the Tolls by Mail rate. Please note all E-ZPass discounts offered at Port Authority of New York and New Jersey bridges and tunnels apply to accounts at the E-ZPass New York and New Jersey Customer Service Centers only.

E-ZPass eliminates the need for receipts, because periodic statements are issued. Businesses can request online statements for easier sorting and recordkeeping.

The Port Authority Truck Volume Discount Plan (PATVD) offers an additional 10% discount on E-ZPass off-peak toll rates for E-ZPass customers with NY or NJ business or commercial

accounts who make 100 or more New York-bound trips at Port Authority crossings during off-peak hours within a monthly statement cycle. Discounts are credited directly to qualifying accounts each month without requirement to register for the program. The Port Authority Truck Volume Discount Plan will end on July 5, 2025.

E-ZPass is accepted in 19 states by 26 toll operators from Maine to North Carolina, and as far west as Minnesota. More states may join in the future. E-ZPass tag holders may use their tag wherever the E-ZPass logo is displayed.

All Port Authority crossings are cashless and no longer accept cash toll payments. Toll payment is accepted via E-ZPass tag or Tolls by Mail.

For an E-ZPass application in New York, visit www.ezpassny.com or call 800 333-TOLL (8655); In New Jersey, visit www.ezpassnj.com or call 888 AUTO-TOLL (288-6865).

All vehicles using Port Authority crossings are subject to search by Port Authority Police and other designated authorized officials.

RESTRICTIONS

George Washington Bridge

ALL TRUCKS must use the upper level of the George Washington Bridge. Violators subject to summons and/or fine. Starting Monday, December 9, 2024, through August 2025, new 179th St. westbound ramp vehicle restrictions of 10' width and 110' length will be in effect for the upper level.

Holland Tunnel

The following restrictions are in place until further notice:

In Both Directions: NO TRACTOR-TRAILERS, THREE-AXLE DUAL-UNIT TRUCKS, OR TRUCKS WITH FOUR OR MORE AXLES PERMITTED. Only two and three-axle single-unit trucks are allowed.

Lincoln Tunnel

NO TRUCKS permitted in the Center Tube of the Lincoln Tunnel.

Bayonne Bridge

No oversized vehicles permitted until further notice.

Propane Restrictions

Propane may not be transported through the Lincoln or Holland tunnels or across the Lower Level of the George Washington Bridge.

Toll Lane Speed Limits

Toll lane speed limits may vary by facility. You must obey all posted speed limits at our crossings.

Motorists who speed risk fine and/or summons, points on their license, as well as the suspension or revocation of E-ZPass privileges.

It is critical that Front Mount Exterior (FME) Transponders are mounted properly. For detailed instructions, visit: www.panynj.gov/TruckersResources.
